Each time it was to the same woman: Maggie. While their friends wondered how they could stay married so long when they were so different, that s precisely what made it work. In this unconventional biography, Alan pays tribute to his wife s take-charge attitude and essence with a series of vignettes that will make you think, laugh, and shake your head in wonder. How Maggie combined marriage, business, teaching and public speaking with strong feminism will inspire you to go for it in life.and never to settle for less than what you know you can be.
