LONG TERM LEASING

Hardback. Book Condition: New. Not Signed; Leasing is by far the most important source of finance for various types of assets needed by firms, but this may cause problems. Among them are the decisions to buy or lease and the accounting decisions to capitalize or expense. Riahi-Belkaoui addresses both problems by examining the models and standards used both for management of and accounting for leases. In five chapters Riahi-Belkaoui covers the issues involved in leasing and financing decision models and...
