Little, Brown Book Group, United Kingdom, 2010. Hardback. Book Condition: New. 237 x 159 mm. Language: English . Brand New Book. More than three centuries ago, Nicholas Winters irrevocably altered his genetic make up in an obsession-fueled competition with alchemist and Arcane Society founder Sylvester Jones. Driven to control their psychic abilities, each man s decision has reverberated throughout the family line, rewarding some with powers beyond their wildest dreams, and cursing others to a life filled with madness and hallucinations. Jack Winters, descendant of Nicholas, has been experiencing nightmares and blackouts - just the beginning, he believes - of the manifestation of the Winters family curse. The legend says that he must find the Burning Lamp or risk turning into a monster. But he can t do it alone; he needs the help of a woman with the gift to read the lamp s dreamlight. Jack is convinced that private investigator Chloe Harper is that woman. It doesn t take long for Chloe to pick up the trail of the missing lamp. And as they draw closer to the lamp, the raw power that dwells within it threatens to sweep them into a hurricane of psychic force.
