

Reminiscences

By Comrade M. Basavapunnaiah

Prjasakti Book House, Hyderabad, 2012. Soft cover. Book Condition: New. These reminiscences, a transcript of recordings done many years ago, give an insight to his personal evolution as a communist and the glories and setbacks of the Communist during our freedom struggle and subsequently. These, however, cover the period till the 1950s and end with merely nothing the face that the inner-Party struggle on the issues of the path of the Indian revolution, the character of the ruling classes and the character of the Indian State between 1984 and 1964 led to the formation of the communist Party of India (Marxist). These reminiscences can neither be treated as a researched historical record nor as a biography of a complex and intense personality. Nevertheless, these give very meaningful insight both into that period of history and Comrade MB's contribution. To that extent, this constitute and important source of information and inspiration for the current generation of Communist.
