

Plant Blossoms

By David M Schwartz

Creative Teaching Press, United States, 1998. Paperback. Book Condition: New. 221 x 155 mm. Language: English . Brand New Book. Just try to keep these books on the shelves! Children can't resist diving into these brightly colored books to explore their favorite topics. Young scientists will examine plant parts and animal features up close and then turn the page to see how these smaller parts fit into the bigger picture. Children will take a close-up view of the powerful ears of a bat, the thorny stem of a blackberry bush, the sticky tongue of a fly, and more. Also perfect for five-senses study, this 24-book series of books features outstanding photographs by renowned nature photographer Dwight Kuhn and easy-to-read text by award-winning children's author David M. Schwartz.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
