Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Highly Sensitive People and Empaths: Finding peace and empowerment for those who feel too much. Don't be so sensitive. Just get it over it. You're just so intense If you're a highly sensitive person or an empath, you've probably heard these statements many times. Maybe you feel different because you're just more tuned in and sensitive than most people you know. You notice things others don't. You can easily pick up on the mood of the room. You're bothered by small irritations, noise, and bright light. Sometimes the world just feels overwhelming, and you wonder what is wrong with you. The good news? Being highly sensitive isn't weird or wrong. It's a perfectly normal trait held by 15-20% of the population. The Little-Known Power of Being Finely Tuned As a sensitive person, you may believe you're weak and less resilient than others. This belief may have been reinforced all of your life, but nothing could be further from the truth. Highly sensitive people and empaths are gifted with unique skills making them more creative, intuitive, conscientious, and empathic. They are evolutionarily hard-wired this way to benefit the larger community, as they are the first to notice and respond to subtleties, moods, and danger. They are also first to feel deeper, positive emotions as well. Thriving Daily As a Sensitive It can be daunting to live in a world that feels overwhelming and insensitive, especially when others don't understand or appreciate you. With self-awareness, mindful communication, and proper management of your environment, you'll not only survive as a sensitive, but you'll thrive in ways you never...
