## THOSE ANGELS CALLED HUMANS: WHERE IS GOD

iUniverse, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is essential for everyone to discover its human and spiritual double identity; to live or develop its own spiritual potential; and, to accomplish the true role or function for which each one was created. Life makes sense and takes clear direction when we guide our steps toward re-encountering our Creator, and the eternal destiny for our spiritual being. True love is a trinity of love: God is love in essence, and God himself is a trinity; God is the only source of love which pours onto us, so that we can correspond with love to God and spread it to all our brothers and sisters. HE WHO HAS DISCOVERED THE SECRETS OF TRUE LOVE HAS FOUND GOD AND HAS FOUND THE PATH TO ETERNAL SALVATION. A collection of paintings was created following specifically the main topics of this book by a renowned painting and sculpture artist Felix Berroa. This is a profound Theological reflection written with an amazing simplicity; inspired by the Spirit of God, without any deviation from the dogmas and doctrines of the Christian FAITH. Dr. Antonio Castro Guerrero. Professor of Philosophy and literature at the University of Loja- Ecuador.
