Careers in Dental Laboratory Technology

By Institute for Career Research

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THE FIELD OF DENTAL LAB

TECHNOLOGY is an ever-growing (and often overlooked) career that combines healthcare, technology and art. This is a solid opportunity for people who want to help others and be a part of ever-changing technology, and who consider themselves equal parts scientist and artist. Dental lab technicians, also known as dental techs, work independently to recreate a patient's real smile using prosthetics in order to improve health and appearance. They handle small tools and must possess an eye for detail in order to accomplish this task. Dental laboratory technicians do not work directly with patients, but they are an important part of overall dental healthcare, providing the physical elements that allow for complete smiles and better tooth function. Dental laboratory technicians are an extension of dentistry, which dates back to 7000 BC. It is a field with a fascinating history as it is a demonstration of humanity's evolution in terms of the technologies we use and the understanding we have of the human body and its functions. For example, the earliest cavities were...
