Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The story ERIKA: STORIES is a unique collection of 16 short stories based on a young German s family true experiences during the war in Berlin. They experience the terrible bombardments and chaos in the city and move to the eastern suburbs near the Oder-Spree canal. Shortly before the arrival of the Russians, they escape to Austria. After the war they move to France and finally to Canada, where Erika s father can resume his medical profession in a prairie town. The stories are compact and to the point written in an interesting vivid style highlighted by dialogues and details. They may be read separately or in sequence like a novel. The story retraces the young German family s experiences from the early 40 s in Berlin to the 50 s when they arrive in Canada. The book...
