Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Draw and Tell Stories for Kids 4, Volume 4 in the multi-volume Draw Me a Story series of draw and tell story books is now available in an 8.5 x 11 inch paperback format and has a new look. It contains twelve fun draw and tell stories on topics such as fairies, magicians, pirates and wolves. Each draw and tell story includes clear instructions and large traceable drawings, plus an informative guide to using the lively and time-honored draw and tell story storytelling technique. Draw and tell stories are simple stories for young children. These drawing tales are very easy to use and require no special materials or experience. As each draw and tell story is told, its characters and objects are sketched onto a single sheet of paper, while children look on. These simple elements build up on the drawing until, by the time the story ends, a composite picture representing the subject of the story has emerged, much to the children s delight. The draw and tell story form of storytelling is great for parents, teachers and children s librarians. Author Barbara Freedman-De Vito has been creating and using draw and tell stories for many years in her work as a children s librarian, freelance storyteller, teacher, and workshop leader.
