English for the Thoughtful Child Volume 2

By Gordon Southworth, Fred Scott, Cynthia A Shearer

On Demand Publishing, LLC-Create Space, 2013. Paperback. Book Condition: New. 272 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.Like the first volume of English for the Thoughtful Child, this second volume concentrates on the development of composition skills. It contains picture lessons, oral and written narration exercises, memory work, and copy work. In addition to these lessons, which help build narrative and descriptive skills, this book includes nature lessons, which help build expository writing skills. Those families who keep nature notebooks may find these lessons work well with their own nature studies. Much of this book comes from Scott and Southworth's 1913 title, Lessons in English. The original preface describes it this way: Too many teachers think of a textbook as a kind of machine gun, built to fire so many loads a minute with deadly precision. This is a vicious error. In this book, teachers will find a great variety of material which they can use in accordance with their best judgment. Exercises are given for copying, for dictation, for rewriting, for description, for letter writing, for recording the results of observation and experience, for the use of words and their synonyms,...
