It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The annual themes are Journey, Word, and Faith for younger youth; Promise, Story, and Call for older youth. Each year is divided into two 16-week semesters. Each lesson begins with Tending, an intentional ritual that helps youth develop closer relationships through tending to one another and tending to God at work in their lives and the world. Youth will experience Christian community and participate in practices of the faith. Each youth will make the lessons relevant to him- or herself through the practice of developing his or her own SMART goals (Specific, Measurable, Attainable, Revealed, and Time-Limited). Teachers will have images, additional activities, training, denominationally specific material, additional background, and links to music from the CD-ROMWebsite. Teachers will be able to choose a lesson plan that suits them from the two provided. Classes will have the benefit of being able to use...
