Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Amulet: A Tale of Spanish California The accompanying Tale makes no claim to the character of an elaborate work of fiction. It was compiled rather than written, during short intervals of leisure, from a variety of memoranda and notes relating to the people, social habits, occupations, sports, and physical characteristics of the lower part of Alta-California. In the year 1852 this was a thinly-populated country, solely devoted to the raising of cattle and horses. The proprietors of the soil were mostly native Californians of Spanish or Mexican descent, their labourers and herdsmen being either half-castes or of pure Indian blood. From the 37th parallel of latitude southwards, the social aspect of the country was unchanged by its cession to the United States. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
