AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Learn valuable leadership lessons and organizational survival tactics through the eyes of one of the world's most industrious and successful creatures, the honey bee. *Survival of the Hive* takes the lid off a beehive and provides a fun, relevant and reflective look at the tiny, purposeful inhabitants inside. Through the leadership experiences of Zync, a queen-in-waiting, we are taught seven important leadership lessons by her mentors, Vision, Belief and Strategy including The Front Porch Philosophy of accountability, Bee-2-Bee Waggle Dance of communication, the all-important P-Factors: Footprint, Resourcing, Calming, and Unity, and the Perfect Product Honey System. Deborah Mackin and Matthew Harrington, in a creative yet practical way, use the bee colony and specifically Zync, as an entertaining fable to illustrate leadership in an organized community. Throughout the book, the hive provides a working illustration of cultural complexity, leadership clarity, and the importance of trust as a foundation for excellence. Included at the end of each chapter is Reflections for Today's Leaders, as well as Group Discussion Questions to help facilitate a *Survival of the Hive* philosophy within your own organization.
