Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

TRADE OF QUEENS

Tor Books. Paperback. Book Condition: new. BRAND NEW, Trade of Queens, Charles Stross, A dissident faction of the Clan, the alternate universe group of families that has traded covertly with our world for a century or more, has carried nuclear devices between the worlds and exploded them in Washington, DC, killing the President of the United States. Now they will exterminate the rest of the Clan and keep Miriam alive only long enough to bear her child, the heir to the throne of their land in the Gruinmarkt world. Mike Fleming, late of US intelligence, has just survived an attack on his life in Massachusetts and knows the worst and deepest secret: behind the horrifying plot is a faction of the US government itself, preparing for a political takeover in the aftermath of terrifying disaster. There is no safe place except, perhaps, in the third alternate world, New Britain - which has just had a revolution and a nuclear incident of its own.
