It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Windham Press, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.THE ELIXIR OF LIFE by Honore de Balzac TO THE READER At the very outset of the writer s literary career, a friend, long since dead, gave him the subject of this Study. Later on he found the same story in a collection published about the beginning of the present century. To the best of his belief, it is some stray fancy of the brain of Hoffmann of Berlin; probably it appeared in some German almanac, and was omitted in the published editions of his collected works. The Comedie Humaine is sufficiently rich in original creations for the author to own to this innocent piece of plagiarism; when, like the worthy La Fontaine, he has told unwittingly, and after his own fashion, a tale already related by another. When you have read the account of Don Juan s decorous parricide, try to picture to yourself the part which would be played under very similar circumstances by honest folk who, in this nineteenth century, will take a man s money and undertake to pay him a life annuity on the faith of a chill, or let a house to an ancient lady for the term of her natural life! Would they be for resuscitating their clients? I should dearly like a connoisseur in consciences to consider how far there is a resemblance between a Don Juan and fathers who marry their children to great expectations. Does humanity, which, according to certain philosophers, is making progress, look on the art of waiting...
