SteinerBooks, Inc. Hardback. Book Condition: new. BRAND NEW, The Blue Forest: Bedtime Stories for the Nights of the Week, Luke Fischer, Stephanie Young, Tim Smith, This book is a magical collection of seven bedtime stories for 6 to 9 year olds -- one story for each night of the week, each featuring one of the seven colours of the rainbow. The stories are all new, yet have a timeless, dreamy quality to them, which is perfect for sleepy night-time reading. The seven stories form a harmonious circle: the first story features a small girl wearing a dress as white as the stars, who discovers a casket of jewels in a forest of blue trees. In the last story, a pink butterfly flutters from an old woman's garden to a hut in the woods, where a girl in a white dress sleeps. In between are a host of other wonderful characters, including a red bird whose song inspires dreams, a boy with a golden flower, an astrologer who paints stars from his purple tower, fish that transport raindrop-jewels to an underwater sea cave, and a mother and baby possum who discover a mysterious green sanctuary. Parents and children alike will delight in the vivid imagery in these enchanting tales, which lead the imagination from the clear outlines of the waking world into the elusive realm of dreams.
