

## Lectures on Ten British Physicists of the Nineteenth Century Mathematical Monographs Volume 20

Filesize: 1.97 MB

### ***Reviews***

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.*

***(Dr. Grady Jacobi DDS)***

## LECTURES ON TEN BRITISH PHYSICISTS OF THE NINETEENTH CENTURY MATHEMATICAL MONOGRAPHS VOLUME 20

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 144 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. An excerpt from the PREFACE: DURING the years 1901-1904 Dr. Alexander Macfarlane delivered, at Lehigh University, lectures on twenty-five British mathematicians of the nineteenth century. The manuscripts of twenty of these lectures were discovered in 1916, three years after the death of their author, to be almost ready for the printer, and ten of them, on ten pure mathematicians, were then published in Monograph No. 17 of this series. Lectures on ten mathematicians whose main work was in physics, astronomy, and engineering are given in this volume. These lectures were given to audiences composed of students, instructors and townspeople, and each occupied less than an hour in delivery. It should hence not be expected that a lecture can fully treat of all the activities of a mathematician, much less give critical analyses of his work and careful estimates of his influence. It is felt by the editors, however, that the lectures will prove interesting and inspiring to a wide circle of readers who have no acquaintance at first hand with the works of the men who are discussed, while they cannot fail to be of special interest to older readers who have such acquaintance. It should be borne in mind that expressions such as now, recently, ten years ago, etc. , belong to the year when a lecture was delivered. On the first page of each lecture will be found the date of its delivery. This item ships from La Vergne, TN. Paperback.
