

How to Grow a School Garden

By Arden Bucklin-Sporer, Rachel Kathleen Pringle

Timber Press. Paperback. Book Condition: new. BRAND NEW, How to Grow a School Garden, Arden Bucklin-Sporer, Rachel Kathleen Pringle, In this groundbreaking resource, two school garden pioneers offer parents, teachers, and school administrators everything they need to know to build school gardens and to develop the programs that support them. Today both schools and parents have a unique opportunity - and an increasing responsibility - to cultivate an awareness of our finite resources, to reinforce values of environmental stewardship, to help students understand concepts of nutrition and health, and to connect children to the natural world. What better way to do this than by engaging young people, their families, and teachers in the wondrous outdoor classroom that is their very own school garden? It's all here: developing the concept, planning, fund-raising, organizing, designing the space, preparing the site, working with parents and schools, teaching in the garden, planting, harvesting, and even cooking, with kid-friendly recipes and year-round activities. Packed with strategies, to-do lists, sample letters, detailed lesson plans, and tricks of the trade from decades of experience developing school garden programs for grades K-8, this hands-on approach will make school garden projects accessible, inexpensive, and sustainable. Reclaiming a piece of...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
