Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Address on Scholarly Workers: Their Spirit and Methods Youth is credited with being a period of awkwardness. Goldsmith, to whom we are indebted for some of the most beautiful passages in the English language, was often embarrassed in finding the right word in conversation; but, more serious than all that appears to the observation of others, is that awkwardness which the upright soul feels when, in any unfitting or wrong attitude, it approaches truth or the responsibilities of life. Life s labyrinth is all dark before the youth; neither its complicated passages nor its end are revealed. How shall they find the clew? To aid in this crisis, the home is filled with loving solicitude, the school offers its teachers and appliances, the church its precepts and sacraments, and the wise of all ages their philosophies. Coming here to greet the gathered representatives of the wisdom and youth of this cherished institution, can I do better than invite attention to a discussion of the spirit and methods of scholarly workers? Our American civilization is a great stimulus to the assumption of responsibilities. Its fundamental principles force all of us to be workers. Our law recognizes no rights of primogeniture. The precepts and practices of our life, while they stimulate individuality, tend to make us careless of the past and unmindful of the future, and to concentrate our thoughts and deeds on the present.
