Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.NEW FALL EDITION! STEM Through The Months for Budding Scientists, Engineers, Mathematicians, Makers and Poets. Designed for parents, teachers and students, these activities will help you make and create wonderful learning experiences. Using monthly-themed events as a springboard and the maker movement for inspiration, your students will build cross-curricular connections as they explore STEM - Science, Technology, Math and Engineering. Use these ideas for any day of the week, any week of the month or any month of the year. These activities are perfect for September, October and November, but work well for anytime of the year. Primarily aimed for students in grades three through grade eight, these engaging and innovative lessons and projects are easily adopted and adapted for learners of all ages. The projects and poetry lessons have been classroom tested and will provide enjoyable learning experiences in a variety of learning environments: home schooling; after-school programs; scouting; gifted and talented programs; extra-curricular clubs; adult ESL classes; and senior citizen activities. Inside this book you will find a jam-packed month of STEM lessons, projects and poetry to be used for Back to School and all through the year. Drawing on the inner poet in every child and the let me do-it-myself nature inherent in all learners, the activities and lessons will help your students earn an A for the Arts and will bring STEAM to your STEM initiatives. Your budding scientists, mathematicians and engineers will practice creative and inventive thinking skills as they develop throughout the year. These materials focus on science, technology, engineering, the arts and mathematics. You and your students will especially love the core poetry lessons. Students love poetry and...
